# ARYAN SRIVASTAVA

As a skilled professional in web development, my career objective is to leverage my expertise in this field to contribute to the growth and success of organizations. With a comprehensive understanding of web development principles and strategies, I aim to utilize my skills to optimize digital performance, mitigate online risks, and drive digital profitability.

My goal is to secure a position where I can apply my web development acumen to analyze data, develop online solutions, and provide strategic recommendations that support informed decision-making in the digital realm. Additionally, I am eager to collaborate with cross-functional teams to develop and implement effective web strategies that align with organizational goals and enhance overall online presence.

By leveraging my proficiency in web development, I am dedicated to delivering measurable results and contributing to the long-term success of the company I work for in the digital landscape.

## Experience

### TRAINING AND PLACEMENT CELL, BUNDELKHAND UNIVERSITY JHANSI

#### Volunteer

During my tenure as a volunteer at the Training and Placement Cell, I effectively managed and facilitated communication between students and prospective employers. I organized career development workshops, collaborated with industry professionals, and provided guidance on resume building and interview preparation. Through my role, I played a vital part in connecting students with valuable internship and job opportunities, enhancing their employability and professional growth.

### NAAC REPORTING

#### Volunteer

During my tenure as a volunteer for NAAC reporting at our university under the Earn While Learn scheme, I effectively managed and facilitated the reporting process. I collaborated with university staff and ensured the accurate documentation and reporting of various aspects required by NAAC. I played a pivotal role in streamlining the data collection and reporting process, contributing to our university's accreditation efforts and overall academic excellence.
